CUISINE

The mission is simple: serve delicious food in the most exquisite and luxurious way. Guests of the restaurant can look forward to a distinctive food experience that combines Mediterranean and Asian dishes. A masterful blend of fine ingredients and spices where East Chinese and Japanese combine subtly with a zest of the West and Mediterranean flavours. Our aim is to offer an exciting and contemporary update of "Nouvelle Cuisine" with carefully balanced dishes that will delight both taste buds and eyes alike.

Prepared with only the very best ingredients, this fusion food menu is rich yet healthy, fruity and spicy, with a carefully balanced selection of classic recipes and new creations with entrancing names, reflecting the many inspirations of our chefs.

All dishes are prepared according to our "Family Style" concept: they can be shared amongst guests and are served in large dishes rather than individual plates.
