LOCATION

Fall under the spell of a 3-Star Superior resort, nestled on one of the most beautiful beaches of Mauritius in Wolmar. The Pearle Beach Resort & Spa is located about 50 km away from the airport on the West coast of the island, and is the ideal place to spend your dream tropical holidays.

Near the hotel, you can explore the picturesque village of Flic-en-Flac with its shops, restaurants, bars, nightclubs and its popular public beach. A little further, the Casela Nature Park will enthral young and old alike, while golfers can indulge in their passion at the Tamarina Golf Club, an 18-hole golf course designed by Rodney Wright.

To get a taste of the island's urban life, all it takes is a 30-minute drive to access the busy streets of the capital city of Port Louis. You are also only 16 km away from discovering another typical atmosphere of the Mauritian lifestyle in the small town of Quatre-Bornes, especially on market days (Thursdays and Sundays).

With its perfect location and its theme evenings inspired by the melting pot that is Mauritian culture, our hotel will offer you a tropical seaside escape where you can experience local culture to the fullest.
